Orthophonic Victrola

THE MODEL shown below is but one of many, for they range from \$1000 for the supreme Orthophonic-Electrola-Radiola combination down to \$95 for a simple but superb Orthophonic talking machine. Any of them may be obtained from Sherman, Clay & Co. on convenient terms.

Below is shown the No. Eight-Four Orthophonic Victrola, price \$235 with spring motor or \$270 with induction disc electric motor, eliminating winding. Victor records stop automatically. Storage for 60 records. Italian Renaissance cabinet, walnut or mahogany veneered. See this and the others at Sherman, Clay & Co.

Buying for many stores in Oregon, Washington and California makes our prices lower.
