JOHN M. SCOTT, GENERAL PASSENGER AGENT

Dr. Harvey Wiley Says Northern Pacific Meal Service Stands 100%

A Seattle paper quotes him: "You have one of the best illustrations of what can be done in feeding people along the right lines with the right kind of food here in the Northwest in the dining car service of the Northern Pacific Railway. The food served and its preparation should be a model for every railroad and hotel in America. It is superior to anything I have ever found in a public eating place."
