## IN THE OLD DAYS

people spoke of their favorite liquid refreshment as  
"A DRINK OF THE GODS"

Nowadays they simply say Klickitat—the most delicious and appetizing beverage on earth—superior to other mineral waters, but costs no more.

### KLICKITAT

is a "kingly" drink at an insignificant cost. Bottled only at the springs under perfect sanitary conditions. Can be had flavored with true pure fruit flavors as well as plain. The Raspberry and Concord Punch, as well as the famous Klickitat Ginger Ale, are deliciously above the average.

Serve Klickitat for your family's sake and the delectation of your guests. Do it tomorrow.

### **CONDITIONS OF CONTEST**

Any one may enter the contest without any expense whatever.

One need not feel that a purchase must be made or that I will expect one to have work done. I simply want to get acquainted and have you know what I have to offer.

Letters of recommendation **must not** be over forty words in length and must be absolutely truthful. The judges will take into consideration the truthfulness of the letters in making the awards.
