# *The* **AMPICO**

## *The Greatest Musical Instrument in the World*

The fortunate owner of an Ampico piano may summon the world's greatest artists to play for his guests whenever he so desires. The Ampico plays perfectly. It will afford you and your family and your friends great enjoyment and will prove a delightful means of entertainment.

## **The Great Godowsky** **Says:**

"No other recording of mine on any instrument whatsoever gives me the deep, unalloyed satisfaction which these records on the Ampico do. They possess, aside from the quality of flawless reproduction, the heart pulsation which stamps the Ampico absolutely individual and apart from anything else."

(Signed) LEOPOLD GODOWSKY.
