FOR SO FINE

A PIANO

THE COST IS SUR-
PRISINGLY SMALL

It is no common thing for a Steinway to give half a century of perfect, faithful service. Fifty years of pure and glorious tone, fifty years of pleasure and entertainment. An instrument such as this is an investment that pays for itself—whatever the price—many, many times over.

Yet the price of the Steinway is far less than one might expect for so fine an instrument. . . And even that price may be paid in convenient instalments.
