**The English Singers**

**Auditorium - Mar. 2**

"A concert by The English Singers is for a listener a unique and unforgettable experience, a contact with a beauty that is rare and haunting, and interpretations that in their particular kind are unparalleled on the American concert stage. Here they stand alone and incomparable, because of the wonderful treasure of old English music which they reveal and the singularly eloquent, finished and atmospheric character of their performances."—Olin Downes, New York Times.
