## RCA-Victor Radio

DEPARTMENT

Dealers in radio since its inception, Gill's have placed in Portland homes many hundreds of sets of all makes. Because of this rich experience, they are in a unique position to balance the merits of one set against another and have decided, only after thorough study, to represent the RCA-Victor line **EXCLUSIVELY**. With Portland's most complete music department, Gill's felt the need of specializing in the sale of the finest radio sets obtainable, and these, certainly, are the new RCA-Victors with their "Big 3" of listening-in enjoyment—Magic Brain, Magic Eye and Metal Tubes. Gill's third-floor Radio Section is not only bigger and better, but the last word in serving the public.
