## Sunday Concerts

The City of Portland presents a popular concert at the Public Auditorium each Sunday afternoon at 3 o'clock featuring bands, choruses, singing societies, orchestras, quartets, soloists, etc. An admission charge of 15 cents is made to cover the expense of these concerts, there being no municipal fund available to take care of this expense. The entire proceeds of these concerts goes to the auditorium fund. The musicians donate their services as their contribution to the cause of good music in Portland. Assist the city in this enterprise by telling your friends.
