Germaine Schnitzer

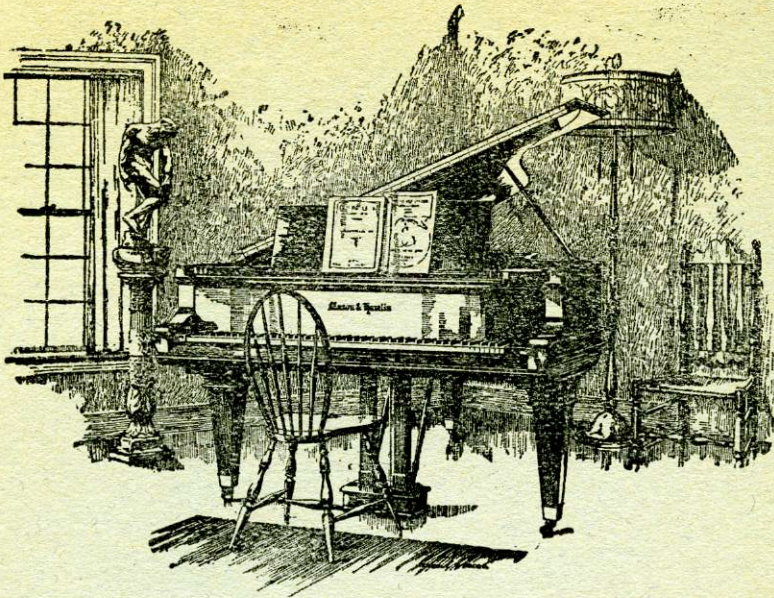

Internationally Famous Pianist

LINCOLN AUDITORIUM

APRIL 7, 1925

8.00 P. M.

The Mason & Hamlin Piano

Makes no claim of superiority that cannot be established by comparison with other pianos.

The AMPICO (re-enacting mechanism) makes no claim of superiority that cannot be established by comparison with other instruments.

NOW you may have both the MASON & HAMLIN and the AMPICO together in one incomparable re-enacting piano.

The Chickering

"America's oldest and noblest Piano"

The AMPICO

The Ampico in the Chickering places at your command the art and skill of the world renowned pianists.

The Ampico is perfect in performance. The Ampico library of records is most complete in classical, semi-classical, popular and dance music.

The golden beauty of tone is the charm of the Chickering Piano. The tone is full, rich, resonant and particularly pleasing to the discriminating musician.

Your Piano taken in payment toward the Ampico.
