# STEINWAY

Today as yesterday—

*The Instrument of the Immortals.*

Paderewski, Rachmaninoff, Hofmann, Cortot, Grainger, Samaroff, Ganz, Levitski, and a host of other world-famous pianists, have chosen the STEINWAY for use and ownership, as did Franz Liszt, Wagner, Rubenstein, Berlioz and Gounod.

Musically the STEINWAY is the world's best loved piano—a thing of life, of fire, of brilliance—the piano of pianos, alike on concert stage and in discriminating homes.

The true musician or home maker will be welcomed here and extended unusually convenient terms in the purchase of a STEINWAY
