

To Purchasers of Commutation Tickets:

At the time of purchasing your Commutation Ticket the clerk in charge will give you a Coupon Ticket Receipt, with order for photograph attached, bearing the number of the book of coupons you will receive.

In addition to this you will be furnished a Single Trip Pass to the Exposition, for the purpose of permitting you to go to our Official Photographer just inside the Main Gate to the Exposition and sit for photograph, without additional expense. After sitting for photograph it will be necessary for you to wait for your Commutation Book until the Photographer finishes your picture and the Department of Admissions has affixed same with seal to your book. When this process is completed you will be notified by postal where and when to call for your completed book of tickets.

F. B. DAVISON,

Chief, Department of Admissions.
