

Club Reception

EXPOSITION STATION

Probably no other body of men has been so potent a factor in the success of the Lewis and Clark Exposition as has the American Association of Traveling Passenger Agents, whose members arrive in Portland on Wednesday, September 13th.

On Wednesday evening, from 8 to 11 o'clock, the Portland Commercial Club will tender a reception in their honor. Your presence is particularly desired on this occasion that we may unite in extending to our visitors a most cordial welcome. This invitation includes the ladies.

W. A. CLELAND, *Secretary,*

Portland Commercial Club.
