FIRE GUTS VANPORT UNIT

Vanport was the scene of a two-alarm fire last Saturday night.

Mr. and Mrs. Raymond Carrol, their eleven-month-old son, William and Paul Carrol, brother of Raymond, were left homeless when their apartment at 2108 Victory, Apt. 1868, was gutted by fire. The fire started when some food which had been left on the stove ignited.

Paul Carrol was confined to the Vanport Hospital with back burns while Ray Carrol, who suffered 2nd degree burns on his feet, was treated and released.

Mr. Fred Coates, a neighbor, responded to cries for help and arrived in time to lift the child from the window.

Damage to the unit was \$2,500 according to fire inspectors Schlatter and Trammell.

FIREWORKS PROHIBITED

Fireworks in housing projects are prohibited by federal regulations. Parents, of children found skatting fireworks will be subject to eviction, according to Harry D. Jaeger, Manager of Vanport City.

According to Fire Chief Hanson, 23 out of every 100 people blinded in accidents are blinded by pyrotechnics such as firecrackers.

VANPORT SCHOOL HOLDS COMMENCEMENT EXERCISE

A colorful spectacle was presented at the 8th Grade Graduation on June 4. The girls were wearing white dresses and rose corsages while the boys were suits.

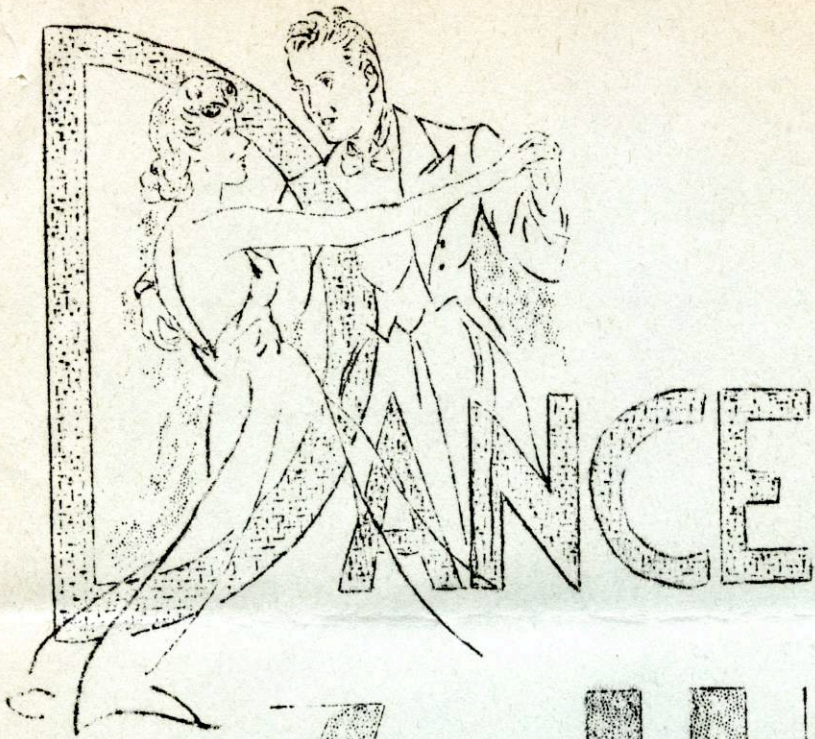

There were 194 graduates and a very nice program was presented. Taking place in the program were: Jamesetta Walker Processional, Rev. George W. Wood Invocation, Eighth grade Chorus, Jean Sibelius - Dear Land of Home, Haydn Wood - Margarite, Thou Art Near Me, Arthur Merrill and Jerry Dean - Class History, Duot by Dorothy Stegriest and Dallas Cude - Indian Love Call, Gertrude Sisk and Pat Blair - Class Prophecy, Solo by Mae Boone - Summertime, Instrumental Ensemble, Presentation of Diplomas by Mrs. Douglass, Recessional.

SCHOOLS VANDALIZED

The Vanport Junior High School and the MacArthur Intermediate School were broken into by four boys and considerable damage done May 30.

The Sheriff's Office reports that three boys - one 16 and two 14 - are being held in the county jail, while one boy, 13, is being held for juvenile court. He is now at the Frasier Detention Home. The Sheriff's Office withheld the boys' names.

Damage was estimated at \$100 by James Hamilton, Superintendent of Vanport Schools, not \$2000, as first reported.

TEEN TOWN TALK

CHILDREN MAY CHECK OUT BOOKS THIS SUMMER

The Library Board composed of school librarians, Ruth Stickley of Project Services, and Mrs. Elizabeth Need, Librarian of the Vanport Library, met Monday, May 19, to draft plans for the use of the library books this summer.

Books will be available to children from June 10 until after Labor Day, the committee reported.

A collection of 1,500 books will be available to children for recreational reading. These will include a number of easy readers and craft books. Any child of school age living in Vanport whose parents assume the responsibility of their child taking books from the library is privileged to take out three books, the committee announced.

Applications may be secured in the school, the school library, and at the Vanport Library.

BUDDY PATTERSON VISITS

Albert Dwight "Buddy" Patterson who enlisted for three years in the regular army at Ft. Lewis Washington April 14 was a welcome visitor at home over Memorial Day and the past weekend.

Buddy, who was a reporter for the VOICE prior to enlisting, weighed 137 pounds before leaving for his army training. Now (after a month and a half of basic training) he's proud of his 158 pounds, which he explains is the result of the strenuous outdoor life and the abundance of excellent army food.

Buddy said that if he were offered a discharge now he wouldn't think of accepting, as he plans on making the army a career.

He will complete his basic training June 21 at Ft. Lewis.

HER FIRST LAUNCHING

Nervous Lady: "Will you tell me one thing, sir?"

Announcer: "Surely, what is it?"

Nervous Lady: "How hard must I hit the ship to knock it into the water?"

ROSE PRINCESS TO VISIT DANCE

Vanport's Rose Princess, Joyce Gertz, has crowded one more event into her busy schedule. She will be a guest at the dance June 7 in Community Building #1.

ALGER'S IDEAS

What's this we hear about Regina Giannonatti and Clyde Bassett going together? Keeping secrets from us, huh?

Say, how many of you remember when your mother used to run to catch the bus to the shipyards?

When Jack Sackman and Jo Anne Johnson went steady?

Dorothy Siegrist has switched on us again. Seems it isn't Russell anymore; it's a certain "Bonny".

Now to refresh your memory with such things as remembering, how and when Ginger Jones got Joe Bird and what happened to him.

Or when Opal Bobb was after Blair Gustafson and never got him.

Bonne Studeman doesn't have to sit home and wish for a letter anymore from C. E. Holland. He's back now. But, alas, she only sees him on weekends.

Some new steadies around Vanport are Alma Gonzales and Joe Goodman, Roland Selland and Helen Rock.

Jerry Gertz and Lois Ball seem to be hitting it off pretty good lately.

CHILDREN HIT BY CAR

Last Sunday, Donald Conway, 8, and Harry Bearcub, 7, were hit by a car driven by David Lee Key of 10320 N. Force, Apt. 7352.

The car went out of control when the foot pedal stuck causing the car to cross a lot surrounding the yard where the children were playing. Neither of the children were seriously injured, and Mr. Key was not held.

Harry Bearcub of 10312 N. Force, was struck a month ago by a car and sustained a broken leg.

Tetanus (lockjaw) often follows,
firecracker burns.

VANPORT LIBRARY TODAY

Today the Vanport Library has outgrown the term, "war library," and has entered a new phase of life. It has grown into the hub of a busy community that is using the library to its fullest extent and is grateful for the fine collection of books.

The loan from Vanport schools of some 1,500 recreational books has drawn many people who never used the library before. Coming in to register their children for these books, they, too, have become steady patrons. All have expressed the hope that a collection of children's books will be kept here permanently.

When the great mass of war workers left Vanport after V-J day, they packed hurriedly, eager to get back to a normal life in their home states. Hundreds of books were lost because in their haste many dumped their books in waste cans or tossed them in with their personal belongings. A few books were returned by parcel-post collect in November, but for the most part, the majority of the books are permanently lost.

College students of Vanport use the library extensively in preparing for exams, obtaining the necessary supplementary reference reading, as well as for recreational study.

In a single average day, the library gives the following information: how to plan for the prospective baby, how to shop for groceries, how to plan the family budget, how to do laundry, how to decorate an apartment on \$10.00, as well as many other practical hints for the young married couple.

The library is also a quiet spot in which to read or study without the noise of children and neighborhood activities.

Mrs. Elizabeth Weed, librarian, states that the library is available to every Vanport resident, and that she and the staff welcome the opportunity to serve each one. Hours are Monday, Wednesday and Friday---12:30 to 8:00 p.m.; Tuesday and Thursday--12:30 to 8:00 p.m.

DON'T FORGET! JUNE 15 -- FATHER'S DAY!

According to "Ours Ahead", the Journal Employees' publication, a pink elephant is a beast of bourbon.

LUTHERAN PASTOR VISITS L.A.

Reverend E. A. Wolfram recently returned from a week's visit in Southern California where he was toastmaster at a Walther League birthday banquet in Los Angeles.

While in California, he discovered good fishing off Laguna Beach where he landed seven barracuda and two sea bass on the deck of a deep sea fishing boat.

A "Hot-rod" race at Mirage Lake near Barstow, California was another highlight of Reverend Wolfram's trip. Boys of high school and junior college age took part in the race with self built racers, some of which reached a top speed of 140 miles an hour.

A visit to the Metro-Goldwyn-Mayer studio where his brother works in the sound department gave him an opportunity to meet Greer Garson.

The reverend is a firm believer in air travel, because, as he pointed out, it only took him five hours to fly down on an United Air Lines plane, and thirty-seven hours to come back on a train.

DONNA OLSON TO WED EX-VANPORTER

Miss Donna Olson, daughter of Mrs. Elenora Olson, is engaged to Byron (Buck) Bradford, son of Mr. and Mrs. Dean E. Chase of Longview, Washington.

Buck was discharged from the army May 4, 1947, after serving in the military government in Korea.

Both families lived in Vanport during the war. Donna is now living at 1910 Victory, Apt. 1768 with her mother and brother.

They will continue living in Vanport after they are married. Donna will graduate from Jefferson this June.

A June wedding is planned.

RECREATION — SPORTS

CHATTERBOX

By Faye Olson

Remember to come to the dance next Saturday night, June 7, at the Rec Hall #1. The dance is being sponsored by the Hobby Club and features Bill Turner's orchestra and a short floor show by Faye Broadwell's pupils. The dance will be held cabaret style with tables arranged around the walls. Admission is 50¢ apiece.

The fire Saturday night brings a timely warning. Don't leave your children home alone. Fire can start much too quickly and suffocate without touching its victims. Smoke can travel through the vents between apartments, and snuff out a life before a fire breaks out enough to call a fire department.

BASEBALL MANAGERS MEET

A meeting of Vanport Baseball Managers was held Tuesday, May 27, at which time the subject of fields for practices and games was discussed. It was decided to issue permits for the use of fields. Permits may be obtained at Project Services Office in Community Bldg. #1 only.

A program for the junior boys was planned with a Baseball School to start as soon as a teaching staff is found. Reading material will be issued the boys.

A schedule of games to be played in Vanport will be drawn up.

It was decided to organize the ball teams into a group for the betterment of baseball and to provide recreation for Vanport citizens. Announcement of the next meeting will appear in this paper soon.

LUTHERAN YOUNG PEOPLE HIKE

The Young People's Society of the Vanport Lutheran Church (Missouri Synod) went to Multnomah Falls by chartered bus Memorial Day, and hiked from there the seven miles to Larch Mountain where they had lunch. Fifteen were present.

NEW MEMBER ON RECREATION STAFF

Bud Farrell, former Jefferson high student now attending Portland University, is a new member of the Vanport recreation staff.

Bud played basketball in high school and his hobbies are sports and gardening. According to Mr. Gell, recreational director, Bud will be a playground leader on Rec. Field #3.

Bud, a disabled war veteran, plans to be a social worker or teacher.

DEMOCRATS WIN

The Vanport Democrats softball team made it two out of three over the Parkside Homes softball team on the 29th.

The Demos were paced by the hitting of Chili Childers and Johnny Rawlings who got 2 for 6 and 2 for 5 respectively.

The final score was Democrats 8, Parkside, 7.

SUNDAY SIGHTSEEING

By Faye Olson

Since a lot of you will be having guests visiting from other states during the Rose Festival and the summer months, let's explore our own city and find out what to show them.

Right close to Vanport is Jantzen Beach Park. It has four lovely swimming pools for toddlers to octogenarians and a wonderful dance pavilion which features big-time bands. The amusement concessions are varied and fun for everyone. There are two excellent picnic grounds, and if you like aqua planing you can go to the nearby seaplane base located on Interstate Avenue next to the Interstate Bridge. Another airport is located on N. E. 47th Avenue close to the Columbia River.

You might like to go to the Portland Meadows for horseracing, or, later in the summer, dog-racing at the Multnomah stadium.

If those out-of-town guests like to see historical spots, they would be interested in the Forestry Bldg., world's largest log cabin, located at N. W. 28th and Vaughn. It was built for Lewis & Clark Expedition in 1905. Beautiful statuary pictures and craft work are displayed at the Art Museum on S. W. Park and Madison.

If they prefer outdoor scenery, take them to Lambert Gardens where they will see the most beautiful flowers in the world. The location is 5120 S. E. 28th Avenue.

More beauty can be found at the Sanctuary of our Sorrowful Mother or the open-air Grotto at 85th and Sandy Blvd. It is a beautiful park, climaxed by the Grotto which is carved out of solid rock in a 10-story cliff. Recorded music fills the air, giving one the feeling of being in another world.

If you like your out-of-doors just a little more exciting, try the Oaks Park Skating Rink, or swimming or picnicing. To get there take an Oregon City car or go to the Sellwood Bridge which is close to the park.

Don't forget to take them to the Vista House along Oregon's most scenic highway--the Columbia River--and on past the Multnomah Falls to Bonneville Dam.

VACATION BIBLE SCHOOL TO START

Boys and girls from kindergarten age through the eighth grade are invited to attend the Vanport Lutheran Churches Daily Vacation Bible School, according to Reverends E. A. Wolfram and O. M. Langough.

The school begins June 16 and will continue through June 27 from 9:00 to 12:00 a.m. Monday through Friday.

MacArthur School has been chosen as the meeting place of the schools because of its central location, the pastors stated.

The Vacation Bible School will consist of games, things to make, fun, Bible stories, singing, moving pictures, surprise hours. It will close with a special program Friday, June 27, to be presented by the boys and girls. Parents will be invited to attend.

Parents may enroll their children Monday, June 16, in the entrance hall of MacArthur School from 8:30 to 4:00 p.m.

RALPH ROCHA ENLISTS

Ralph Rocha, 3105 N. Broadacres, Apt. 5613, recently enlisted in the army infantry for a three year period at Ft. Lewis.

Ralph is the son of Mr. and Mrs. Ravel Rocha.

VETERANS GET HIGHER RANK

Grades higher than private are now available to former members of the armed forces who enlist in the regular army.

Ex-soldiers, sailors, marines and coast guardsmen who served honorably during the last war may now enlist in a higher rank, according to M/Sgt Jack Langworthy, recruiter in Vanport.

Further information is available at the information desk in the Administration Building from Sgt. Langworthy.

LUCKY FOR 13TH TIME

Floyd Annable of 2209 N. Victory #3128 became a uncle for the 13th time May 24, when his sister Mrs. William P. Joyce who resides in Spokane, gave birth to a 9 lb. 1 oz. baby girl.

WORK IS ITS OWN REWARD

What is worse than the frenzied rush
 When a deadline must be met?
 Or trying to remember a bit of news
 You have managed to forget.

What is worse than a mimeograph
 That refuses to function right?
 Or deciphering a feature story
 Of a person who just can't write?

What is worse? Why the idleness
 That comes from a job too well done
 The cheapness of a victory
 Of a battle easily won. J.R.

SLOUGH REPORTED CONTAMINATED

The water in the slough and pools around Vanport is contaminated and dangerous, according to fire inspector Tramel, who advises parents to keep children from wading, swimming or playing in these pools.

Dangers of the contaminated water are glass which will cut feet, or water getting in a small sore or open mouth which may cause such diseases as strep sore throat, skin diseases, or other internal diseases, he stated.

STUDENT-VETERAN TO EDIT VOICE

Johnny Rawlings, an Oregonian veteran with a four years' total service in the army and navy, is the new editor of the VOICE. Having served more than two months as Associate Editor of the VOICE, the new editor is well-qualified to handle this post.

Born in Portland in November 3, 1919 he attended school in Gazelle and Trask, California. Soon afterward, however, he was bit by the travelling bug, and in the next several years visited all 48 state capitols and all state parks.

After his discharge from the Navy in October, 1942, which included ten months in the Alaskan theater, he was employed primarily as a salesman. Johnny says, "If you want to buy anything in Portland, see me. I'll probably have a license for it." He claims to have sold magazines, insurance, real estate, advertising, and weather-stripping.

The morning of March 18 while looking for his Vanport College class in Community Building #1, he heard the mimeograph machine running in the VOICE office, and came in to "talk shop" about papers and especially the "Umpqua Tidings," the Roseburg Veterans Hospital paper that he edited while confined to the hospital.

For hobbies, our new editor prefers any type of competitive sports, writing poetry, listening to quiz programs, traveling. He likes people, but dislikes "people who have too much to say about nothing."

Johnny lives at 10607 N. Force, Apt. 6930, with his wife, Arlene, and 3½-year-old son, Lance, who is known as "Butch" at the VOICE where he is the mascot. When his two years at Vanport College are finished, he will attend University of Oregon to get his doctor's degree in journalism.

MORE PARENTAL GUIDANCE NEEDED

The vicious vandalism that was
wrought by four teen-age boys on two
Vanport schools is a black mark against
our fair community. Not only that, it
is inexcusable.

If parents would spend a little
more time with their children and direct
their effort in constructive channels,
juvenile delinquency would be held at a
minimum and many a youngster would feel
that he had his parents' confidence.

The way things stand now, children
who are suppressed at home find some-
thing or someone else to vent their re-
sentment on. J.R.
