Mr. H. E. Dosch,  
Portland, Oregon.

Dear Sir:-

I read a pleasant article about you and the Portland Exposition. I am pleased to see that our News & Courier has not forgotten you and the Portland Exhibit, and I do hope that our State will be represented with a creditable Exhibit at the Oregon Exposition, and I am of the opinion that the News & Courier can do much in that direction, and would advise that you send to The News & Courier such articles as you think proper and I know that the articles will be published with suitable comments.

Mr. Robert Graham who had charge of Carts and Wagons at our Exposition has applied to you for a place, and I cheerfully recommend him, he is capable and faithful and will serve you satisfactorily, you will not miss it if you place him in charge of Carts, Wagons and Labor.

I am always pleased to hear from you and hope you are well. Please remember me to your daughters.

With kindest regards,

Yours truly,

*F. W. Wagener*
