My Dear Mr Dozel

I hope you are in-
stalled in your work and
the favor I shall ask of you
may not conflict with your
public duties.

Myself and wife hope to reach
St Louis about the 17th or 18th
of this month, for a 10 to 15 days
stay. Can you secure a good
room with bath for us? We
presume a room like this may
cost \$3⁰⁰ to \$5⁰⁰ per day, judging
by newspaper reports, but if a comfort-
able room can be secured, and
we leave this to your judgment, please

reserve it & Mr wish to be as near
the Exposition grounds as possible,
and as free from a fire trap hotel
as it is possible to obtain. Again I
say I shall leave it to your ex-
perience where best to locate us,
and hope you will advise us by
letter, to reach us, care the Impe-
rial Hotel, before the 12th of the
month, with full instructions, to reach
the room by the least delays or
transfers & Should anything arise
and you deem it advisable, to wire
me, do so, without hesitation.
We had an enjoyable trip across
the continent, and have now
reached a real city.

I learn from my father that you
are an old schoolmaster, & I
and I hope you may find it a
pleasure to meet his daughter, who
now is my wife. With united regards
I am Truly Yours L. O. Nichols
