Col. Henry E. Dosch, Commissioner-General,  
For Lewis & Clark Centennial Exposition,  
Oregon State Building.

Dear Sir:--

I have the honor to hand you herewith a new Official Directory for the Louisiana Purchase Exposition, which has been corrected and revised up to June, 1904.

Will you kindly destroy any previous edition of this Directory which you may have in your possession and hereafter give precedence to the new edition, as there are many changes and additions of consequence in the latter.

Foreign and State Buildings are given as the official addresses. This is done to avoid the changing of individual addresses of Commissioners and their attaches who may be absent.

It is highly important that this Official Directory be preserved. Will you kindly make note of this.

Yours very truly,

*Charles M. Reeves*

Chief,
