## The Lewis and Clark Centennial Exposition Commission

FOR THE STATE OF OREGON

Portland, July 12, 1904.

Hon. Henry E. Dosch,  
Oregon State Building,  
World's Fair, St. Louis, Mo.

My dear Mr. Dosch:-

Your letter of July 3d received, also copy of a letter to Prof. Lyman. Mr. Lyman withdrew his letter before the meeting of the Commission and I therefore did not use your reply as there was nothing before the Commission officially that would require the same. There seems to be no doubt but the provision which he was complaining about had been made and this settles the whole controversy.

With my personal regards, I am

Yours very truly,

*Jefferson Myers*  
President.
