SALEM March 1,

Col. H. E. Dosch,

Portland, Oregon.

My Dear Friend Dosch:

Permit me to say that I am pleased to know that the blind now see. I think it a shame the way those shortsighted people managed. Notice the enclosed and the date of the same.

At the beginning I did want a certain position with the fair, but now I am not to be considered in any manner whatever. I am doing a work independently for which there is no remuneration, but I am independent. The outfit in control of our exposition are ignorant as to exposition matters. You know that I have favored you all along, and I was hot when I wrote this letter to Salem. I do not regret it.

The clerical officers, Henry E. Reed and E. C. Giltner are good men for the positions they hold. There are two officers whose services I appreciate.
