Dear Sir:

We respectfully desire to call your attention to the award that we gave to the Oliver Typewriter Company.

First:- When we were all together - A Silver Medal - and some days afterwards under a misrepresentation of facts our Chairman changed the award on the entry blank to read a "Gold Medal".

After further examination and learning the true facts, we wish ~~xxx~~ to request you to have our report read as originally made, viz; SILVER MEDAL ONLY.

Very respectfully,
