ASSOCIATION PRAYER

e
Keep us, God, from pettiness.
Let us be large in thought, in
word, in deed, Let us be done
with fault finding and leave
off self seeking.
May we put away pretense and
meet each other without pre-
judice.
May we not be hasty in judge-
ment: Let us take time for
all things; make us to grow
calm, serene, and gentle; teach
us to put into action our
 better impulses, straight
forward and unafraid. Grant
that we may realize it is the
little things that create dif-
ferences, that in the big
things of life we are one and
may strive to touch the common
Women's heart for us all, and
O! Lord! God! Let us not for-
get to be kind.

My days are full of blunders,
Oh! How I've always yearned
To live one life for practice
Another when I've learned.

PAST PRESIDENTS

I wonder if past Presidents have family spats and jokes, and eat green onions in the Spring, just like us common folks?

THE WORLD IS FULL OF PROBLEMS

There's much to cause distress
We all are bound beneath the
cares that daily round us
press,
There's only one solution
"Tis simply stated Thus!
A little less of you and me
A little more of us"
A flake of snow is very small.

HOW TO KILL ANY CLUB OR SOCIETY

1. Don't come to the meetings. If you do come, come late.
2. If the weather doesn't suit you, don't think of coming.
3. If you do attend a meeting find fault with the work of the officers and other members.
4. Never accept an office, as it is easier to criticize than to do things. Nevertheless, get sore if you are not appointed to a committee; but if you are do not attend the committee meetings.
5. If asked by the chairman to give your opinion regarding some important matter, tell him you have nothing to say.
6. After the meeting, tell everyone how things ought to be done.

HOW TO KILL Cont.

7. Do nothing more than is absolutely necessary, but when other members roll up their sleeves and willingly, unselfishly, use their ability to help matters along, howl that the organization is being run by a clique.
8. Hold back your dues as long as possible; or don't bother about paying at all.
9. Don't bother about getting new members, let George do it.

CLUB SONG---CLIMBING

(Tune, "The Old Refrain")

With heart and hands we
strive to do the best
Our eyes upon the high-
est peak doth rest;
Honor and Culture both
we have in view,
Friendship and Loyalty
and courage, too
As onward up the path we
daily go;
We falter much, our steps
are often slow,
But for God's helping
grace we daily pray;
His hands for us will
ever point the way;
So to our tasks we go
without fear;
We know "To labor is a
pleasure" here;
A smile and song for
all along the way-
The Culture Club lives
on from day to day.
